

DOGS & CATS RUNNING AT LARGE

This is a reminder that it is unlawful for your dog and/or cat to be running at large, off leash, outside of your property.

There have been complaints from individuals who are indicating that people are out in their yards with their dogs and allowing them to run on the street and into other yards.

It has also been noted that several cats are allowed by owners to roam outside their property. If a resident does not have a cat it is unfair that they have cat feces in their gardens/yards.

Bylaw No 4-2013 Section 5:

- a) The owner or keeper of a dog or cat shall not at any time allow his or her dog or cat to run at large in the Town of Asquith, and for the purposes of this Bylaw, a dog or cat shall be deemed to be running at large when it is beyond the boundaries of the land occupied by the owner or keeper of the said dog or cat, or beyond the boundaries of any lands where it may be with the permission of the owner or occupant of the said land, and when it is not under control by being:
 - i) on a leash and in direct and continuous charge of a person competent to control it; or
 - ii) securely confined within an enclosure; or

iii) securely fastened so that it cannot roam at will.

FINES ALSO WILL BE APPLICABLE.
