MUNICIPAL ORDER

Fire Services Bylaw 5/21 FIRE BAN

Due to dry conditions, a Total Fire Ban has been implemented in the R.M. of Corman Park. The ban is effective Friday, April 12, 2024 at 9:00 am, and does not allow for any open flame fires to be lit within the R.M. of Corman Park until such time that the ban is lifted.

All fires within the R.M. are banned. This requires all outdoor fires presently burning to be extinguished and the lighting of any outdoor fires is prohibited. This ban includes fire pits, burning barrels, controlled burns, and fireworks, with the only exceptions being internal household fireplaces and gas-fueled equipment such as a propane barbecue or propane fire pit.

As per Municipal Order under Bylaw 05/21, R.M. Fire Services Bylaw, the total Fire Ban will be in effect until deemed appropriate to change.

Please let me know if there are any questions or concerns.

A handwritten signature in blue ink, consisting of several fluid, overlapping strokes.

Kerry Hilts
Chief Administrative Administrator
