

## **SPRING CLEANUP WEEKEND!**

### **TOWN OF ASQUITH RESIDENTS ONLY**

**SATURDAY MAY 6<sup>TH</sup> AND SUNDAY MAY 7<sup>TH</sup> 2023**

**9:00 am TO 3:00 pm**

On Saturday May 6<sup>th</sup> and Sunday May 7<sup>th</sup> 2023, there will be bins situated at the corner of South Avenue and Charles Street that will be fenced and supervised. Residents of the Town of Asquith can use these bins to dispose of large dimensional waste (i.e. couches, mattresses, etc.) Demolition or renovation waste such as shingles or siding will not be accepted, and it is suggested that individuals should arrange for their own bins if they have this kind of waste.

**BN Metals will also have a bin there for white metals** (washers, dryers, fridges, etc.) The doors should be pulled off these. Also, batteries, BBQ's, bikes, chairs with metal, couches with metal, electronics, lawn mowers, old tools, swing sets, tin, wire, or anything metal will be accepted.

**This site will be supervised and is for Town of Asquith residents ONLY!**

On Saturday the 6<sup>th</sup> the old landfill will also be open for Clean Waste Days, so one can take their tree branches, leaves and clean wood there for drop off.
