

Reports from July 9th, 2025, Regular Council Meeting

Utilities

Administrator Montgomerie presented the final proposal regarding conversion of the water treatment plant to biological filtration which has an estimated completion date of January 31, 2026.

Foreman Desrosiers reported that he will add gravel to the two dig sites on Cory Street once it dries a bit more and plans to have more gravel added at the end of digs going forward.

He also reported that T&T has indicated the generator will be delayed another two weeks.

Fire Department and First Responders

None.

Streets and Town Property

Foreman Desrosiers reported that Raider Asphalt completed more street patching on Main and Cory Streets yesterday. He also reported that he is working with Raider Asphalt to address concerns the Asquith Co-Op has regarding pooling of water onto their lot.

Finance

None.

Waste Disposal

None.

Rink, Cemetery, Sportsgrounds

Administrator Montgomerie reported that Maple Ridge Rubber contacted the Town's lawyer regarding the walking path and plans to visit the site on July 18th, 2025, to evaluate the condition and establish a plan to complete the project.

Recreation Committee

Mayor Stobbe reported the committee's recommended allocations of the Sask Lotteries Fund. She reported some of the criteria used to evaluate applications which included the amount of funds requested, whether the club hosted events in Asquith, whether the organization has applied and received funds in the past, and who demonstrated the greatest need.

Town Personnel

None.

Policing

Administrator Montgomerie presented the second quarter policing statistics for Asquith as provided by the RCMP.

Building Permits

None.
